

CAPABILITIES STATEMENT

CERAU Solutions LLC - Established May 2020

CERAU Solutions LLC is a Disabled Veteran Minority Owned Small Business holding a current Top Secret (Q) Clearance. We are a group of multidisciplinary, consulting certified Project Manager Professionals and certified Technical Engineers, that offer technical, logistic and procurement services with a focus on efficiency, safety, sustainability and innovation.

Our Principals and Associates (core team members) have extensive experience across many disciplines: Consulting, Management, Project Management, Engineering, Procurement, Logistics, Supply, and Software Development. Our company offers a combined 40+ years of experience.

We bring local and global skill sets and knowledge that benefit our clients. We put clients and client services first.

CORE PURPOSE

CERAU Solutions specializes in logistic and procurement services and offers technical, management and project consulting.
